

LOS ANGELES COUNTY

LETTERGRAM

Mr. William A. Jensen
To Superintendent of Building From
Building & Safety Division
Subject

A. W. Lynn

Date September 26, 1960

No.

FLOOD HAZARD CONDITIONS, VICINITY LOMA ALTA
DRIVE BETWEEN FAIROAKS AVENUE AND CANON
BOULEVARD, ALTADENA

The property shown in red on the enclosed map is subject to flood hazard.

In order to prevent flood damage to buildings in the area subject to flood hazard, it is requested that applications be referred to the Design Division, for processing under Section 302a of Ordinance No. 2225, to determine whether protective facilities are required.

If protective facilities are required, plans for these facilities shall be approved by the Design Division.
